**SECURITY CAMERAS DON'T PREVENT TRAGEDIES, THEY RECORD THEM GET PROACTIVE WITH INTELLISEE**

## COMMON TO CATASTROPHIC PROTECTION VIA A SINGLE PLATFORM

Stay vigilant while protecting your students and staff from everyday hazards to catastrophic events with IntelliSee's wide and growing detection capabilities:

- SLIP, TRIP, AND SPILL HAZARDS
- FALLS AND MEDICAL EMERGENCIES
- WEAPONS AND ACTIVE THREAT DETECTION
- UNAUTHORIZED ACCESS OR LOITERING
- PARKING LOT AND PERIMETER SECURITY
- ABSENT STAFF OR UNATTENDED AREAS

IntelliSee delivers real-time alerts to empower administrators, SRO's, and staff to respond faster, stay compliant, and strengthen safety culture throughout your entire campus.

## ALWAYS-ON ACTIVE MONITORING

Your cameras are always on, and now, so is prevention. IntelliSee continuously analyzes live feeds to identify risks and automatically notify your team. From a fall in the gym to a loitering vehicle near a playground, IntelliSee delivers the situational awareness needed to act in seconds, not minutes.

## SAFE ORGANIZATIONS SAVE

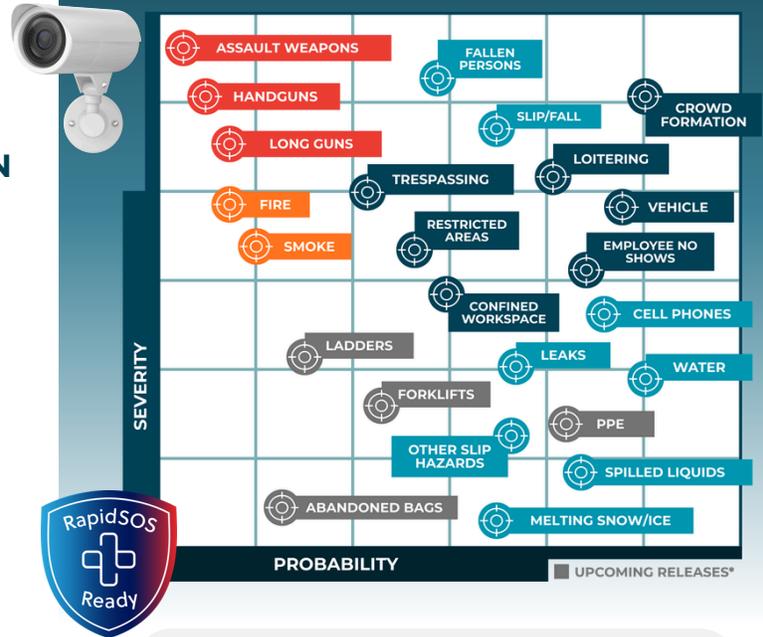

A single incident, whether an injury, intrusion, or threat, can cause serious harm and lasting fear. IntelliSee prevents incidents before they happen, protecting your students, staff, and peace of mind.

## WORKS WITH EXISTING CAMERAS

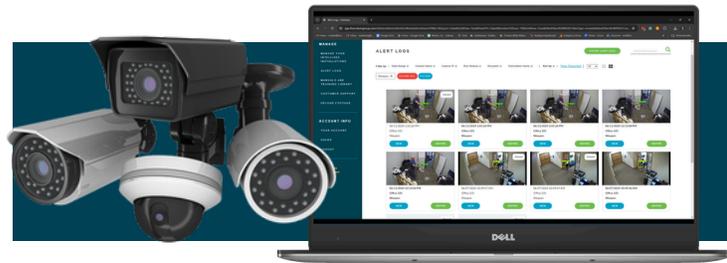

Most schools and districts use a mix of camera systems across multiple buildings. IntelliSee seamlessly configures to your current network and protocols, so you can enhance safety without major upgrades or additional hardware.

AWARD-WINNING AI DETECTION

## UNMATCHED SAFETY + RESPONSE FROM EVERY ANGLE

WEAPON DETECTED — South Entrance, Camera 07 (192.168.1.14).
